LONDON 2019

Welcome to the 4th International Homeopathy Research Conference, hosted by the Homeopathy Research Institute (HRI). Following the success of our previous conferences in Barcelona, Rome and Malta, this time we have chosen to bring the event to London to mark HRI's 10th anniversary.

Conference Overview

As the emphasis being placed on evidence informed practice continues to grow, research plays an ever more crucial role in the evolution of all medical modalities. Homeopathy is no exception to this trend, with new findings from scientific research continually informing clinical practice, as well as providing a growing evidence base for decision-makers.

HRI is therefore proud to be hosting our latest two and a half day event dedicated solely to homeopathy research. This rare event in the conference calendar brings together world experts in all areas of research, from in-vitro work to provings, to share their latest findings.

Conference objectives

HRI conferences have one ongoing theme - Cutting Edge Research in Homeopathy - demonstrating our commitment to showcase the very best new research, regardless of subfield or topic. This approach allows us to create a diverse programme, including topics such as:

- Clinical research
- Fundamental research
- Qualitative research
- Lab-based studies
- Pathogenetic trials
- Veterinary research

HRI conferences provide a unique opportunity for those involved in homeopathy around the world - whether as active researchers, academics, practitioners or students - to meet, exchange ideas and discover what's new in this rapidly developing field.

Programme Highlights

We are delighted to announce our confirmed Keynote Speakers for HRI London 2019, all of whom are inspirational, extensively published leaders in their fields.

Prof Leoni Bonamin
Professor
Universidade Paulista - UNIP, Brazil

Prof Robert Hahn
Research Director
Södertälje, Sweden

Prof Vladimir Voeikov
Senior Lecturer
Lomonosov Moscow State Univ, Russia

Dr Clare Relton
Senior Lecturer
Queen Mary University, London, UK

Dr Michael Teut
Medicine Researcher
Charité Universitätsmedizin, Berlin, Germany

Dr Elizabeth Thompson
CEO & Lead Clinician
Portland Centre for Integrative Medicine, UK

Submission of abstracts

We welcome abstracts from researchers, graduate students, research trainees, homeopathy practitioners and educators.

Submission guidelines available at www.HRILondon2019.org

Deadline: 10 December 2018

Social Programme

Alongside the scientific programme, we are delighted to provide our guests with a series of social events to make the Conference even more enjoyable and provide plenty of opportunities for you to mingle and network with attendees from around the world.

Places on these social events are strictly limited and must be reserved in advance.

Welcome Drinks Reception – Thursday 13 Jun, 18.00 – 20.00

Conference attendees are invited to this complimentary event on 'The Lawn' – the front terrace of the Tower Hotel, overlooking the river. Take in the stunning views of Tower Bridge as you enjoy early evening drinks with your fellow attendees.

Dress code: Informal

Thames Dinner Cruise – Friday 14 Jun, 19.30

Following the intensive academic programme on Friday, simply step outside the front door of the hotel where the boat for your evening cruise on the Thames will be waiting. Relax over a buffet and drinks, whilst enjoying unrivalled views of the City. The boat will take a circular route, dropping you back at St Katharine's dock, directly outside the Tower Hotel.

Dress code: Informal

Tower of London Fundraising Gala – Saturday 15 Jun, 19.00

For this once-in-a-lifetime event, you will be met on arrival by a Yeoman Warder who will give you a 15-minute walking tour of the Tower. Enjoy the impressive arms and royal armour on display in the Royal Armouries, Britain's oldest national museum, before being led to the drinks reception awaiting you in the White Tower. This iconic part of the Tower is the world's most famous castle keep, built almost 1,000 years ago by William the Conqueror to protect and control London.

The drinks reception will be followed by a three course Gala Dinner in the New Armouries, a separate building within the Tower complex, constructed as a storehouse for weapons seized after the English Civil War. The New Armouries boasts spectacular views of the White Tower, Tower Bridge and the Shard – the tallest building in the UK.

Note: Guests will be unable to leave the Tower between 21:45 and 22:05 due to the Ceremony of the Keys, a ritual which has taken place every night for over 700 years!

As the Tower is a working barracks, the event will end at 22.05 when the Yeoman Wardens escort attendees out of the Tower. You are then invited to join us back at the hotel next door for a nightcap, or more, at our 10th Birthday 'after party' (see below).

Please note: The White Tower is accessed by a large exterior staircase. If you have significant mobility issues, please make us aware prior to booking.

VIP fundraising tickets £POA

The Tower Gala is open to everyone, not just Conference attendees. HRI is hosting this dinner in the historic Tower of London as a fundraising event to enable us to continue our work in advancing the field of homeopathic research.

Those wishing to support HRI by attending the Tower Gala only, can purchase a VIP ticket. Prior to the drinks reception, all VIPs will be invited to visit the Jewel House for an exclusive tour of the Crown jewels. Your ticket also includes entry to HRI's 10th birthday 'after party' in the Gallery room of the Tower Hotel.

Conference attendees £95

Delegates registered for the conference are able to attend the gala for only £95. Your ticket also includes entry to HRI's 10th birthday 'after party' in the Gallery room of the Tower Hotel.

Dress code: Black tie

HRI 10th Birthday Party – 21.30 until late

As the Tower of London shuts to the public at 22.15 and does not allow dancing, the party will continue in the Gallery room at the Conference Hotel. This is your chance to let your hair down and celebrate our birthday, with a live band and dancing until late.

Ticket price: £15 including 2 drinks
Free of charge to Gala attendees.

Note: For those not wishing to attend the Tower of London Gala, we strongly recommend booking dinner at one of the many convenient restaurants at St Katherine's Dock, located immediately behind the hotel. It is then a short stroll to join the party at the hotel after dinner, where gala attendees will join from 22.15 onwards.

Dress code: come as you are

Conference Schedule

Thurs 13 June	Evening	Registration opens Welcome drinks
Fri 14 June	Morning	Presentations
		Buffet lunch
	Afternoon	Presentations
	Evening	Poster reception Optional dinner cruise
Sat 15 June	Morning	Presentations
		Buffet lunch
	Afternoon	Presentations
	Evening	Drinks reception & Gala Dinner at Tower of London HRI 10th Anniversary Party at Tower Hotel
Sun 16 June	Morning	Presentations
		Closing ceremony
		Buffet lunch

Venue

The conference will be held at the 4-star Tower Hotel, located on the River Thames adjacent to Tower Bridge and the Tower of London. The hotel has 801 bedrooms with fast, free, unlimited wifi throughout.

How to get there

The Tower Hotel's location in the heart of central London is just a 7-minute walk from Tower Hill Underground Station and Tower Gateway DLR.

Accommodation bookings

For full information about booking your room either at the Tower Hotel or nearby, visit www.HRILondon2019.org. We recommend booking as soon as possible to avoid peak tourist rates nearer the time.

Conference Fees

Conference attendance	Standard fee	£475
	Early bird	£395
	Students	£330
Friday dinner cruise		£55
Saturday Gala Dinner		£95
Saturday HRI 10th Party		£15

Terms of Booking

The Conference Fee includes registration for the conference, conference materials, lunch and refreshments. It does not include travel or accommodation. Cancellations received one full month before the start of the event will be refunded, minus a 25% administration fee. No refunds can be processed after this date. Places can be substituted with the prior knowledge and agreement of HRI. Priority will be given to those making an oral or poster presentation. It may be necessary for reasons beyond the control of the organisers to alter the content and timing of the programme or the identity of the speakers. HRI takes no responsibility for non-refundable travel/accommodation in the case of a changed programme or cancelled event.
